Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the new Griffin-Spalding Airport in fiscal year 2024. The entity to receive funding for this project is \$8,585,737, located at 1035 South Hill Street, Griffin, GA 30223.

The funding would be used for the construction of the new Griffin-Spalding County Airport to provide the community with a general aviation and fully functional business airport suitable of meeting local aviation demands. The project is an appropriate use of taxpayer funds because this project will result in the direct generation of jobs through the construction of the new airport as well as in continued job growth from expanded economic development projects that will need the airport to support their investments in Georgia.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Drew Ferguson  
Member of Congress
